

Public Input Meeting
March 2, 2011 at 5:30 PM
Golden Belt Complex-Conference Room
807 E. Main St, Building 2, Suite-300, Durham, NC

The City of Durham invites residents to a Public Input Meeting to share ideas and opinions regarding the development of a proposed Neighborhood Revitalization Strategy Area (NRSA) Plan for the Southside neighborhood. A NRSA is a comprehensive approach to addressing economic development and housing needs in a designated neighborhood within a community. NRSAs bring together residents, business owners, property owners, and community stakeholders to forge partnerships that commit to revitalizing the neighborhood.

Communities with approved NRSAs through the Department of Housing and Urban Development (HUD) are offered enhanced flexibility in undertaking economic development, housing, and public service activities with their Community Development Block Grant (CDBG) funds. This flexibility is designed to promote innovative programs in economically disadvantaged areas of the community.
